MEMORANDUM

TO: State Agencies
FROM: OA/Accounting
DATE: October 8, 2015
RE: Meal Per Diem Rates

Recently, the federal government updated the federal per diem rates for meals. As a result, the current federal reimbursement rate for St. Louis has declined. Therefore, effective 10/15/15, the maximum rate for meal reimbursement for St. Louis will be \$37 per day. No other Missouri location was affected, however, some out of state localities have also changed. The State Meal Per Diem page will be updated shortly to reflect all changes.

Please note that this sets the maximum rate for meal reimbursement. Departments can establish lower rates.
