MEMORANDUM

TO: Agency Payroll and Personnel Officers
FROM: Division of Accounting
DATE: November 3, 2014
RE: November 26, 2014 Payroll

Our SAM II HR processing schedule for November calls for the last payroll of the month to be dated November 28, 2014. However, the Governor, by Executive Order, has closed state offices on this day, **so State Pay Day will be Wednesday, November 26, 2014.**

The timeframe will be very limited to process rejected transactions, so agencies must ensure adequate funding is available to cover gross payroll and employer paid fringes prior to pay cycle running on Wednesday, November 19th. Printed direct deposit advice statements and paper checks will be available after 1 p.m. on Monday, November 24th for distribution to the agencies. Please remember advice statements and paper checks will only be released if funding is sufficient to cover payroll.

The first supplemental cycle for the November 26th pay date is being moved to Monday, November 24th. Agencies will only have until noon on November 24th to submit check requests. Supplemental checks will be available after 1 p.m. on Tuesday, November 25th as long as funding is sufficient to cover payroll.
