Report Footnotes:

(*)"Resigned Agency" indicates the employee resigned from one agency and was employed by another agency.

(**)"Resigned State" indicates the employee resigned from state government entirely.

These two columns represent "voluntary" turnover for the state.

(***)"Other Terminations" indicate such separation reasons as End of Appointment, End of Term, Layoff, Deceased, etc.

Personnel Actions designating the "Reasons for Leaving Employment" were counted for the period October 1, 2012 through September 30, 2013.

Data was counted for full-time (>=50% FTE), "permanent" employees only, as entered in the SAM II HR/Payroll System.

"Total Full Time Employees" = October 1, 2012 Employee Count + September 30, 2013 Employee Count divided by 2.

"Total Turnover Percentage" = "Total Separation Actions" divided by "Total Full Time Employees".

Effective with the reports for the quarter ending 3/31/2005, please note a change to the calculated turnover percentage by Personnel Action (PACT). Previously, the percentage turnover rate for each Personnel Action was calculated as a percentage of the total turnover ... so that the percentages by Personnel Action added up to 100%. That calculation has been changed to reflect the actual turnover percentage by Personnel Action ... so the percentages by Personnel Action add up to the Total Turnover Percentage.
